

## FLOWERS APLENTY

Just in time for Thanksgiving, the Suburban Garden Club of Cheshire held a cornucopia workshop for its members. The workshop, held at the Cheshire Senior Center on Nov. 19, was led by club member and floral designer Tony Poitras. Members were given a variety of mums and fall flowers, and after a quick lesson, were left to use their own creativity to make a cornucopia centerpiece for their holiday tables. Pictured is SGC member Helen Piekan with her finished Thanksgiving floral arrangement.
