Terrance Walker

The Suburban Garden Club announced the recipients of their 2013 Club Scholarships.

The Cheshire High School Student Scholarship (\$500) was awarded to senior Aida Feng, who will be attending Brown University in the fall, studying chemistry with attention to research in the environmental sciences.

The club's collegiate level scholarship (\$1,000) has been awarded to 2012 Common Ground graduate and current Naugatuck Valley Community College student Terrance Walker of New Haven. Walker is pursuing a degree in Horticulture at NVCC.

This year the club has added a third high school scholarship for students at Common Ground High School in New Haven. The club is pleased to announce that the first annual "Suburban Garden Club Tripodina-Growell Scholarship" of \$500 has been awarded to Common Ground senior and Orange resident Forest Hoefflinger. He will be studying Environmental Science at Clark University.
